

State: August 2019

### **Legal counsellors and economic advisers working in the administrative district of the German Embassy Kabul**

Due to the current situation in Afghanistan, the German Embassy in Kabul is unable to provide any generalized valid information for legal prosecution. In individual cases, please contact the Embassy or the legal representatives as listed below.

— Clients have to bear all costs and fees arising from their mandates themselves.

The legal counsellors are listed in alphabetical order. The list does not claim accuracy or completeness. The listings based on the information available to the Embassy Kabul at the time of writing. The information regarding correspondence languages and areas of expertise of the legal counselors is provided by themselves and cannot be guaranteed by the German Embassy Kabul.

Please also note the information on our website on the following topics:

[Document check and Document Procurement](#)

[Consular Service A-Z](#)

[Certifications and Notarizations](#)

[Legal Assistance in Civil Cases](#)

Willingness to accept German legal trainees for training: not applicable in all chancellery offices.
